

Extra Credit: Is Instagram the new gateway to photography?

Name: \_\_\_\_\_

Do you use Instagram?

How many social networks are you on?

How many posts (on average) do you make a day? A week?

Besides this class, where do you look at photography?

Besides this class, where do you find out about photographers?

When was your last photography/art gallery or museum visit? Do you recall what the exhibit was?

Do you think social media sites are good, bad, or something else?

How do you think social networking has influenced the way you think about friendship, community, and yourself?

Do you feel that if you were to not participate in social networking you would be missing out?

Do you feel that through any online social networks you belong to a community?

Do you think social media accounts like Instagram, Facebook, etc. have hurt human-to-human interaction or helped it?
